# Orbit C120

## 10.26” Infotainment Display with Dash Cam and Backup Cam

Works with:

Apple CarPlay androidauto

Celebrate automotive connectivity with the MyGEKOgear Orbit C120, a cutting-edge 10.26-inch display seamlessly integrated with Apple CarPlay and Android Auto that includes a Front and Rear Dashcam. This sleek and sophisticated device transforms your car into a smart hub, allowing you to effortlessly access your favorite apps, navigation, and entertainment directly from the vibrant touchscreen. Equipped with both WiFi and Bluetooth capabilities, the Orbit C120 ensures a seamless and wireless connection to your smartphone, providing hands-free communication with phone calls and message replays, Navigation, music streaming, and access to a world of information while on the road. The 7-inch display offers crystal-clear visuals, enhancing your driving experience with intuitive controls and a user-friendly interface.

**Works Wirelessly with Apple CarPlay or Android Auto**

Experience wireless Apple CarPlay or Android Auto for effortless access to music, maps, calls, notifications, messages, and more while driving hands-free.

**Hands Free With Voice Control**

Revolutionize your driving experience with the power of voice control using Siri or Google Assistant. Take command without lifting a finger as you effortlessly navigate through apps, make calls, replay or send messages, initiate GPS Navigation and control various functions—all through intuitive and responsive voice commands.

**Front and Rear Dashcam**

Elevate your driving experience with the integrated front and rear dashcam feature on our Apple CarPlay display screen. Seamlessly merge the power of advanced in-car technology with enhanced safety and security.

**Bluetooth Music**

Stream music seamlessly from your phone with built-in Bluetooth functionality, eliminating the need for CD’s or USB’s.

**Multiple Stereo Output**

The device includes built-in speakers for audio output, alongside Bluetooth connectivity, FM transmission, and AUX output.

**10.26” IPS Touchscreen**

Equipped with a 10.26”IPS touchscreen, it simplifies navigation, fostering seamless interaction for enhanced usability and accessibility of the device.
